

The Cleburne County Chamber of Commerce

Looking Ahead: September and October 2015

From the desk of the Executive Director

F All is upon us! Our community and chamber have numerous events and activities to keep us all indoors as the weather turns cooler. We also have several venues reopening for the fall season, so make sure to mark your calendars!

Our goal at the chamber is to keep you up to date on chamber and community events as well as provide a platform for our members to network. This newsletter will be printed 6 times yearly (every two months). If you are interested in submitting information to be included in the next Chamber newsletter please email Abby Minter (abby@cleburnecountychamber.com) by the 20th of each month to make sure your information gets included. We will be happy to publish and advertise any job postings, specials, upcoming events, etc.

** Don't forget to use the #discovercleburne on any social media outlets for pictures taken at any of our amazing events or beautiful photo opportunities in our county for a chance to be featured in our upcoming edition of our Discover Cleburne County magazine.
